ARE YOU LOOKING TO ADD
VALUE, SECURITY & STYLE
TO YOUR HOME ?

"THEN THIS DOOR IS FOR YOU"

Do you want Security & Style?

"Imagine the Advantages"

▲ Security

You can't put a value on feeling secure.

▲ Profile

The vertical profile looks stunning in any situation.

▲ Value

Let us show you how to add to your home with a **Side Roll Roller Door**.

▲ Product

Made from a selection of Colourbond Colours.

▲ Advantage

Low Headroom applications.

▲ Convenience

Self Locking remote control.

Then this Door is for you.

Add Value to your Home

Tucks away neatly in a corner

Great for Fence Lines

- ▲ The **"Side Roll Roller Door"** is best described as the door that rolls sideways.
- ▲ This door simply rolls across the opening without lifting or reaching up.
- ▲ Single door width up to 6 metres
- ▲ Double door width up to 12 metres
- ▲ Left or right hand operation
- ▲ Minimum headroom required only 100mm.

Perfect for underneath garage

Ideal for Carports
